

# Midi Submission Guidelines

Hello crossword constructors!

Have you ever been told your puzzle ideas are too morbid? Do you wish it were Halloween all year round? Have an offbeat idea that won't find a home anywhere else? Submit to Crossword Curiosities! We are looking for **themed, midi** sized crossword puzzles that have a spooky, morbid, or quirky twist.

We are looking for:

- Themed midi size puzzles, 60-121 white squares
- Puzzles can be any shape, symmetry not required
- No theme queries. Please submit a fully completed grid and include a title relating to the theme. However, cluing is not necessary. You will be asked to submit clues only if your puzzle is accepted.
- Please keep in mind, while we are open to a wide range of subjects, we do not tolerate slurs, hate speech, discriminatory, or sexist language of any kind.

Submission and Payment Details:

- 1 submission per person
- Submission period March 1-March 31st
- Payment is \$50 per puzzle
- Send your submissions in .puz file format to [crosswordcuriosities@gmail.com](mailto:crosswordcuriosities@gmail.com) with **your name and the title of the puzzle** in the subject line

At this time, we are entirely self-funded so we will only be publishing a few select midis. If you like our blog and would like to see more midis from various constructors in the future, please consider donating to the cause via the "Buy me a Coffee" link below.

Best,  
Maddie and Hannah
